**Conference Topics**

Track 1. Communications and Networking
Track 2. Wireless Systems and Networks
Track 3. Internet of Things
Track 4. Intelligent Systems and Networks
Track 5. Cybersecurity and Blockchain

**Submissions Guidelines**

Camera-ready papers (4-6 full pages) should be prepared strongly in line with [IEEE Conference Paper Template](http://www.ieee.org). All papers should be submitted through [IEEE Conference Management System](http://www.ieee.org/cms) no later than **September 15, 2023**. Note that we do not accept any papers submitted by e-mail. If you have any troubles with paper submission, please inform Organizing Committee: aict.nulp@gmail.com.
